

SAN DIEGO HERALD.

1. SAN DIEGO, CAL., THURSDAY, JULY 10, 1851.

EMIGRANTS.—Several families have arrived here within the past week, by the southern route. They represent the Indians as very troublesome beyond the Gila and Colorado. Mr. Metteer and family, who started from Iowa in company with the ill-fated Oatman family, who were murdered by the Indians, a short time since, has concluded to settle at this place.
