

SAN JOAQUIN REPUBLICAN.—It turns out that the telegraphic dispatch in the *San Joaquin Republican*, on which we animadverted a few days ago, was not sent by the Reporter of that paper from this city. The *Republican* calls our attention to the fact that it was copied from the *Tribune*. We were under the impression that the dispatch appeared simultaneously in several papers, but noticing it last in the *Republican*, it drew our remarks to that paper.

THE FIREMEN'S BENEFIT.—The sum realized at the American theatre for the benefit of the Firemen's Charitable Fund was not large, though the house was reasonably well filled. We could not learn the precise amount.

THE DELINQUENT TAXPAYERS.—It will be seen by the advertisement of the Sheriff, in another column, that the sale for delinquent State and County Taxes will be continued to-day in front of the City Hall.

CITY WARRANT SALE.—A forced sale of \$20,000 City Comptroller's Warrants, takes place to-morrow forenoon, at 11 o'clock, at the auction room of W. P. Jones, corner California and Montgomery street.

MURDERED BY INDIANS.—The *Shasta Courier* learns that two men, William Cochran and Jesse Brown, were recently murdered by the Indians, on the South Fork of Cottonwood. It is said that Brown had with him about one thousand dollars, and Cochran four or five hundred.

THE CORTES.—The Nicaragua steamship *Cortes*, Capt. Burns, leaves Jackson street wharf to-day at 9 o'clock A. M. for San Juan del Sur.
