

**FOURTH DISTRICT COURT—**  
**The Lots for the Fire Department.**

Mr. Allen T. Wilson has commenced an action against the city to recover \$6000 for a lot sold the defendant on Jackson street, near the corner of Davis.

The purchase is understood to have been made by the Council Committee.

FROM TEJON.—The San Joaquin *Republica* says, that Col. T. J. Henley, our indefatigable Indian Agent, arrived in this city, last evening, from Tejon Pass. He represents everything on the reservation to be gliding along very smoothly and satisfactorily. The Indians are now more tractable and industrious than ever before. The harvests of wheat and barley are being gathered, and although scarcely a half crop, there will be a surplus on hand sufficient to feed three hundred more than are now on the reservation. The Indians are up and at work every morning at daylight, and perform their labor very cheerfully.

MAYOR AND RECORDER'S CLERKS. — Mr. John Crane has been appointed Mayor's clerk, and Mr. F. H. Kohler, Recorder's clerk.

**A Card.**

SAN FRANCISCO, July 3d, 1855.

We, the undersigned passengers ex the *Emily Miner*, Capt. Metzger, from Australia to this port, avail ourselves of this opportunity to express our high appreciation of Capt. M. as a skilful commander and social gentleman; and desire, through this medium, to avow our sincere regards and esteem for his unvaried politeness, kind disposition, and desire to make everything agreeable and pleasant to all on board. We take pleasure in stating that the accommodations and dietary scale were in every respect equal, and in many instances superior, to the representations made by the Agents at Sydney. Mr. Brownell, the chief officer, merits our thanks for his kindness and agreeable manners.

In conclusion, we feel great satisfaction in recommending Capt. M. to the travelling community, in whom they will recognize a skilful commander, and kind, friendly gentleman.
