

tour, as against the present claimants, Messrs. Weber & Hammond. The papers signed by Gov. Micheltoreno, and sworn to by Senator Covarrubais, have been filed in the Recorder's office of San Joaquin county, to warn the public that the land which is now occupied not only by the citizens of Stockton, but by a large number of gardeners and farmers is in litigation.

**DEATH OF MAJ. HARVEY.**—The Stockton boat of yesterday, brought the intelligence of the death of Major Harvey and a Mr. Young, who are reported to have been killed by the Fresno Indians, in the lower part of Mariposa county. Major Harvey, it will be remembered, was the person who killed Major Savage some months ago.—*Sun.*

The Sacramento Union says, a gentleman who is largely interested in the Sacramento Valley Railroad—and who is at present on a visit to our city for business purposes connected with the road—informs us that he has just received information by letter from capitalists in the Atlantic States, who state that they are willing to invest money in the construction of Railroads in this State under the provisions of the general railroad law which passed during the past session of the Legislature. He further informs us that arrangements are being made with General Eddy, and it is intended that the survey shall be commenced in three weeks from the present time. This gentleman, who is the representative of the capitalists residing abroad, says he shall use every exertion to have the upper terminus of the road located as near Marysville as is practicable.
