☞ *This a dangerous period* of the year for colds—people should be careful. Mrs. Partington says she has got a romantic affection in her shoulders, the new geranium in her head and the embargo in the region of her jugular vein; all from the opening of the window to throw a bottle at a couple of bellerent cats on the shed.

Four hundred Danish Mormon immigrants recently arrived at New Orleans, and left for St. Louis, on their way to Utah territory. They were accompanied by a Mormon missionary, who superintended their embarkation from Copenhagen, and will go with them to their new home.
