 Mr. Felix Tracy has permanently established a branch of Adams & Co's Express in Salt Lake City. He forwarded the first express from there on the 3rd of January.

KERN RIVER MINES.—News from the Kern river mines is, says the *Union*, favorable. The roads leading to the mines are thronged with people. There is also a rush from Sonora. The miners are making from \$5 to \$10 per day.

SACRAMENTO COURT HOUSE.—The original estimate of the cost of the building, now used as the State Capitol, was \$135,000. It seems, however, that the actual cost thus far has greatly exceeded this figure—warrants to the amount of \$192,000 having already been issued. When completed, the building, the *Union* thinks, will cost \$222,000.

PUB. Docs.—We are particularly obliged to Messrs. Sprague, Bates, Rowe and McCutchan for numerous Legislative Documents.

A LARGE STURGEON.—Capt. Ford, of the Indian Reservation, has some his Indians fishing in the Sacramento, near Tehama, with a large seine. Their first haul yielded a salmon, and one sturgeon weighing 208 pounds.
