*The Rev. Dr. Breekenridge, of Kentucky, predicted the universal success of Know Nothingism, upon the "homogeneousness," of the spirit and principles of the order in the several parts of the Union; but when we read the proceedings of the K. N. Convention at Philadelphia, we thought "what a funny old joker" the Rev. Dr. must be.*

*The Hon. T. H. Benton has declared a newspaper war against Indian Commissioner Manypenny, for reason of the rejection of the accounts of Lieut. Beal, contracted while acting as Indian Agent in this State. The Commissioner is not contented with acting on the defensive, but assumes an offensive position, and raps Mr. Benton and Mr. Beale over the knuckles in a manner anything but pleasant. We should judge the ex-Senator had caught a Tartar, as the Commissioner evidently has the best of the fight so far.*

*SHIPMENT OF TREASURE.—The steamers of the 16th took away \$2,007,681.*
